Ayush: Alumni Meet 2018

The Post Graduate Department of Commerce and Management, SFGC held the annual alumni meet for this year on 21st April 2018. The alumni association Ayush which was inaugurated last year with members from the 2014-16 batch now had more members in it all of whom were from the freshly passed out batch of 2015-17. The Chief Guest for the meet was Mr. Lokesh Y.R, a research scholar who is currently occupied as Assistant Professor at Seshadripuram Degree College and is also a member of the alumni association hailing from the pilot batch of 2014-16. The agenda for the day began with an invocation song and a dance rendition that was organized and performed by the current students of M.Com.

Following this was a welcome address from Dr. Vatsala.G, the Director of the PG Dept and an official address from Dr. S.N. Venkatesh, Principal of the institution. The formal function was a very concise one in which the convocation certificates for the 2014-16 batch members were awarded to them jointly by the Principal and the Director of the PG Dept. The speech by the Chief Guest however was the highlight of the program for it was filled with words of young wisdom and gratitude which Mr. Lokesh had for the institution.

Post the formal program, a high tea was organized for the alumni which also included an interaction session between the alumni and a few students from the current batch of M.Com and M.Com (FA). The second alumni meet of the PG Dept thus was a successful redemption of memories and old relationships for all faculty members and students which would remain ever lasting within the alma mater.
