

## **Value Add Program: Tally ERP9**

The Post Graduate Department of Commerce and Management, SFGC, Yelahanka had organized a 20-hour Value-Add Certificate Program on Tally ERP9 for the students of final year M.Com and M.Com (FA) in the even semester for the academic year 2017-18. The program was piloted by Mr. Santosh from Glisten Project Solutions Pvt. Ltd., who is a Chartered Accountant by profession and is also a full time corporate trainer who has an experience of 16 years in the training domain. Accountancy, being a subject of utmost importance to all commerce graduates, needs in depth understanding especially in a real-time perspective which would boost the employability of the graduates. Tally is a software package which is being used widely by organizations in the country to keep their accounting records and this value-add program was delivered to the students with the aim of sensitizing them in the software package completely which would make them industry ready post the completion of their master degree.

The program was driven on course with great amount of professionalism by the resource person which was well received by the students, all of whom looked forward to complete the course and take home a lifetime worth of knowledge on contemporary accounting techniques.
