

# **Employability, Enterprise skills and Career opportunities in Insurance and Banking Sector**

**13<sup>th</sup> May 2019**

**Yelahanka, Bengaluru**

On 11<sup>th</sup> May 2019, a Special Lecture on Employability, Enterprise skills and Career opportunities in Insurance and Banking Sector was organized by the PG Department of Commerce and Management, Seshadripuram First Grade College, Yelahanka from 9.30AM in the Conference Hall of the M.Com Block. Prof. P. Narasimhamurthy was the resource person for the workshop.

The resource person started the workshop by telling the crowd what is a job, what should be the purpose of life and what is learning. Prof. P. Narasimhamurthy advised students to have the practical knowledge for all the theory that they have learnt. He revealed how the employer expects his employees to perform from the day one. The resource person advised all the students to grab the opportunities whenever they get and to make the best out of it. Prof. P. Narasimhamurthy briefed on – the skills that are necessary to be employable.

In the second half of the lecture, Prof. P. Narasimhamurthy gave insights about the career opportunities in the Banking and Insurance Sector and how to choose a career. The resource person shared about few courses that can be pursued in the banking and insurance industry and also shared the links of the websites from where the students can get information about these courses.

On the whole, the special lecture was very informative as the students got to know what are the skills that are essential to be employable and what are the career opportunities in the insurance and banking sector.
